

HETAS Competent Person Scheme

England and Wales Application Form

HETAS Competent Person Scheme

Application Form Completion Guidelines

Section 1. Business Contact Details

- Please complete your business contact details as they will be shown on the HETAS website search. Please provide us with the name of the person responsible for HETAS registration matters, this is who we will address all correspondence to.
- Only one landline telephone number, one email address and one mobile number will be accepted.
- Provide your company's HETAS registration number if you are already registered with HETAS.

Section 2. Installer Contact Details

- Use additional forms if applying for more than one installer.

Section 3. Mandatory Business Procedures Declaration

- This area checks that you have all compulsory operational procedures in place to meet requirements.
- We need to see examples of your business procedures.
- Example forms can be found on the HETAS website at; www.hetas.co.uk/forms-documentation
- Please ensure you submit an example copy of your own versions of each of these for us to review.

Section 4. Public Liability Insurance

- This is different from Employer Liability Insurance and MUST include the wording to cover your particular business activities i.e 'Installation of solid fuel appliances/biomass'
- Please enclose a copy of your Public Liability Insurance schedule, in date.
- Public liability cover must be to a minimum of £2m.
- Ensure your insurance covers you for working at heights.
- You can call HETAS insurance for a quote and advice on 01905 892378.

Section 5. Registration Fees & Payment

- £460 (+VAT) for new CPS application and first year's registration with one operative (£200 + £200 + £60).
- £60 (+VAT) per extra installer - to add additional installer/s to HETAS registered businesses.
- £10 (+VAT) admin fee will be added if you pay in regular instalments by Direct Debit.

Section 6. HETAS CPS Registration Guidance Notes

- Please read this section including the notes at the end. The table shows you which courses you need for each category of registration in Section 7.
- When you apply to register with HETAS you are confirming that you will only work in areas that fall within the scheme rules and where you are able to demonstrate experience & competence in the areas of work that you wish to notify. As a guide to the way this works, please see the table in Section 6 for the items of work to notify and the common training courses which, when successfully completed, demonstrate to HETAS you have the relevant competence to self-certify them under the Competent Person Scheme. Current HETAS courses are denoted by an 'H00' prefix. Withdrawn (legacy) courses are acceptable if the qualifications have not expired. Please include copies of all relevant training and course certificates with this application.

Section 7. Categories of HETAS Registration

- Please enclose full details of qualifications and experience relating to each category of registration you are applying for.
- Please include copies of any relevant non-HETAS training and course certificates with this application.

Section 8. Declaration

- Both the responsible person and the installer should sign this. If both apply to you please sign both.
- Please enter your name/s in both fields.
- Please complete the checklist and send it all to us at the address given.
- Failure to include all required documents will delay your application.
